Happy Friday!!!!!

[Question Corner]

@Forest it looks like your post came through after you posted! Is that the one you were talking about? I didn't see any poll posts that got caught.

@Fennec I FOUND IT! Victory! Alright, first (I feel like I always recommend this) but try cutting it into smaller chunks. Second, the fruit knife/banana thing could be read as threatening? I don't know why, since

it's a fruit, but it's possible. Also maybe the filter really likes BTS :P

@Grendel I checked and none of them have bans! So they may be taking a break or left the forums.

@Grif looks like you resubmitted it recently and it went through! The previous sig I cannot explain why that was caught. Nothing about it struck me as bad. Grr.

@Afton hmmmmmhmhm ^_^

-You're the new kid in school, but this isn't just any school. It's a school for the children of supervillains! The only thing is...you're undercover. Your parents are superheroes.

It's not you, don't worry, it's what you have in your bag.*"You didn't even realize but your bag does feel heavier. As you open it, out pops...

Becky, I posted a topic with all these cool copy/paste fonts that I wanted to show people so everyone could use them. Can you see it in the filter?

It's nothing harmful, so I don't know why it got caught. It consisted of

qwertyuiopasdfghjklzxcvbnm

for each font.

Also, When someone gets banned it like bans the internet he is on. I think this because my friend tried creating a second account after he got banned and he did it on a different device but the same internet. Also my brother Wizard went to my friends (same friend) house and logged on to his account while there and that is when he got notified that he was banned.

Hear yea hear yea, here comes the news.

[Announcement]

as suddenly as it arrived, a post has vanished
Thank you for everyone who responded to it. Your feedback really helped ^_^

[Question Corner]

@Lightstar yeah! How would you design your house?

@Fennec *finger heart* Let me know if it *still* doesn't go through. I hope it does, because it's a really funny trollfic and I want to read more xD

@Paradox Fallon It's a good question. It may be that there's more activity here on weekends or at certain hours so there's just more posts for the filter to process and it gets clogged up. Did it seem like that weird thing happened yesterday where no posts were coming through for a while and then all of a sudden everything came through at once?

@Grendel the filter thought it was spam because it was a long passage of what seemed like nonsense words to it. It was a cool post and I think people would find it helpful! Try breaking it up into smaller chunks and see if that works if you want to try again.

@boldeagle I took a look and your brother isn't banned, he just tried to access the forums from an IP address that had a ban. If he tried to go on the forums while at a friends house and the friend had been banned like that, then your brother wouldn't be able to go on the forums either while he's there. But once he goes home he should be able to access everything fine!

@Twilight found it! So it got caught for "mild profanity" and for the life of me I cannot see a single word or phrase that would imply that. There aren't any words you made up in it (sometimes the filter thinks unique words in stories are attempts to get bad words around the filter). Grrr. Try submitting it again, maybe it was an error.

@Specter Thank you for this, I will.

@Angie I only got part of your report for some reason, can you try sending it it again?

@Ishmael The lack of filter consistency is really annoying and I'm sorry.

[Forum Prompts]

Unique words to stoke ya creativity!

-Zyzzyva (a type of American weevil, also the last word in the dictionary I believe)
-Mellifluous (sweet or musical; pleasant to hear)
-Aa (a kind of volcanic lava, also a very useful bananagrams word)
-Agelast (a person who doesn't laugh at jokes, or at all)

Forest has started a Daily Chapters/writing prompts thread with an interesting concept! /345970

[Warnings]

There were 3 posts I noticed over the weekend that I could see causing issues, I have my eye on them.

-One is the Communist Manifesto quotes post, I don't see anything wrong with posting excerpts from a book and/or making "seize the memes of productions" jokes but Communism is a political ideology so just tread lightly. Same with the "overthrow the mods" posts, I clearly enjoy them lol but Communism is still a political ideology. So just be aware some responses might not make it through the filter, or may be removed. (Ohohoho...tyranny!)

-Two is the Bible verses post, again nothing wrong with posting excerpts like you have been doing. But religion can be a very sensitive topic, and even very lightly religious stuff has turned into debates before, so I'm keeping an eye on it. Also, just be thoughtful about the verses you post.

-Third is the "those that don't support LGBT" thread. I went into that thread thinking I'd have to freeze it or delete it asap, but I'm happily surprised to see that so far it's as polite as it ever could be with people giving their perspective or acknowledging their lack of knowledge. I really suggest not making these types of threads, but you've all been hanging out with each other on the forum in many cases for months if not years, so I do understand why you might be curious about the differing perspectives of your fellow forumers.The post has run for a while, but **I *am* going to freeze it now**. Why? Because I think many opinions have been covered so they'll either start repeating, or it will begin to turn into a debate about religious beliefs and sexuality. Thank you all for keeping it not-flame warry over the weekend :)

Not meaning to ask too much or anything, but I would like to ask a few things:

1. Have you played/heard of minecraft? (I play it, and I think it's pretty cool, especially with these new mods added to the base game!)

2. Do you think the name Raven is cool? (I'm gonna use it for a character of mine)

3. What's your favorite animal? (This is hard for me; Maybe Butterfly, horse or dog?)

4. What's your favorite color? (Pink!)

5. What's you favorite mythological animal? (Dragon!)

6. Have you watched/heard of Frozen? (I love the movie!)

7. Have you played/heard of Don't Starve? (The game is pretty cool!)

8. Have you played/heard of any of these: Paper Mario, Super Paper Mario or Paper Mario: The Thousand-Year Door? (My favorite is Paper Mario: The Thousand-Year Door!)

9. Have you watched/heard of My Little Pony? (I've watched a few episodes, and I LOVE IT!!!)

@Becky, Three things:

(1): Whenever I copy text that has a font added to it from another website and paste it to my siggy, it doesn't go through right. Like all the text is jumbled together. Example: ' . I'm not actually sure if that example will be jumbled together like what it does in my siggy, but anyway do you know why it doesn't work?
